

Riverview Health Athletic Trainers

Jan Clifton-Gaw MS, LAT, ATC, CSCS - Hamilton Heights High School

Jan has been working as a certified and licensed athletic trainer in the Midwest since 1991. She has been the head athletic trainer for the Hamilton Heights High School for the past 11 years. Jan has received multiple awards from the Indiana Athletic Trainers Association and the Board of Certification for the National Athletic Trainers Association. Jan's greatest moments continue to be the successes of her students not only on the athletic field but in the community.

Addison Smith, MS, LAT, CSCS - Hamilton Heights Middle School

Addison is a certified and licensed athletic trainer and a certified strength and conditioning specialist at Hamilton Heights Middle School. He attended the University of Indianapolis and obtained an undergraduate degree in exercise science and graduated in May 2021 with a master's degree in athletic training. His love and passion for athletic training developed through his personal experiences with various injuries as an athlete. His career goals are fueled by a passion to help athletes train in the most effective preventative techniques, recover from injuries and ultimately achieve the highest level of performance in their sport.

Eric Twitty, LAT, ATC - Sheridan High School and Middle School

Eric is a certified and licensed athletic trainer who graduated from Lebanon High School, where he played football and wrestled. After high school, he obtained a Bachelor of Science degree in Athletic Training from Indiana State University. Eric started working for Riverview Health in the spring of 2016. He has spent almost four years working with the Sheridan High School and Middle School athletic teams. During his free time, Eric enjoys going to the fitness gym and dog sitting.

Becky Way, LAT, ATC - Tactical Performance

Becky is a certified and licensed athletic trainer. She received a Bachelor of Science degree in education and health and sport studies from Miami University. After graduation, she completed an internship at Coastal Carolina where her primary coverage was women's soccer. She returned to her alma mater, Miami University, where she covered synchronized skating, volleyball and women's swimming and diving for the next nine years. After leaving the collegiate world, she moved to Indianapolis where she was an athletic trainer at Lawrence Central high school for two years. She then went on to become a physician extender, working side-by-side with a pediatric orthopedic surgeon and primary care sports medicine physician for seven years.

Betsy Bradley, MEd, LAT, ATC - University High School

Betsy is a certified and licensed athletic trainer. She received a Bachelor of Science degree in kinesiology with emphases in athletic training and physical education at Indiana University. During this time, Betsy worked primarily with the football and women's basketball teams. She went on to receive her Master of Science degree from the University of Arkansas. There, she worked with the cheer and dance teams, as well as the mascots. Betsy also served as the athletic trainer for Park Tudor School.

Kris Schepers, LAT, ATC - Westfield High School

Kris is a certified and licensed athletic trainer who earned a Bachelor of Science degree in sports medicine with an emphasis in athletic training from Indiana State University. Kris has been practicing athletic training within central Indiana for the past 24 years, serving in a variety of sports medicine and athletic training roles. Kris's passion is working with high school student athletes and helping each participant reach his/her goals. Additionally, Kris has worked in all levels of athletic competition and with clients such as the Indiana Pacers, Indiana Fever, USA Track and Field and athletes preparing for the NFL Combine.

Anthony Scott, MS, LAT, ATC - Westfield High School

Anthony is a certified and licensed athletic trainer for Westfield High School. Anthony earned his Bachelor of Athletic Training degree from Ball State University in 2016. There, he worked with several Ball State athletic programs as well as local high schools in the Muncie community. Following the completion of his bachelor's degree, Anthony went on to achieve his Master of Science degree from the University of Georgia, where he was the certified athletic trainer for the Division I men's tennis program and cheer and dance teams.

Shannon Wait, MS, LAT, ATC- Westfield Middle School

Shannon has been a certified and licensed athletic trainer for more than 16 years. She received a Bachelor of Science degree in kinesiology with an athletic training emphasis from the University of Illinois. While receiving her Master of Science degree from Eastern Illinois University, she provided coverage for its Division 1-AA football team and Division I wrestling team. Previously, Shannon worked as an outreach athletic trainer at New Augusta Public Academy in Pike Township.
